

Sri Ganesha Temple (HTNT), Plano, Texas Construction Update

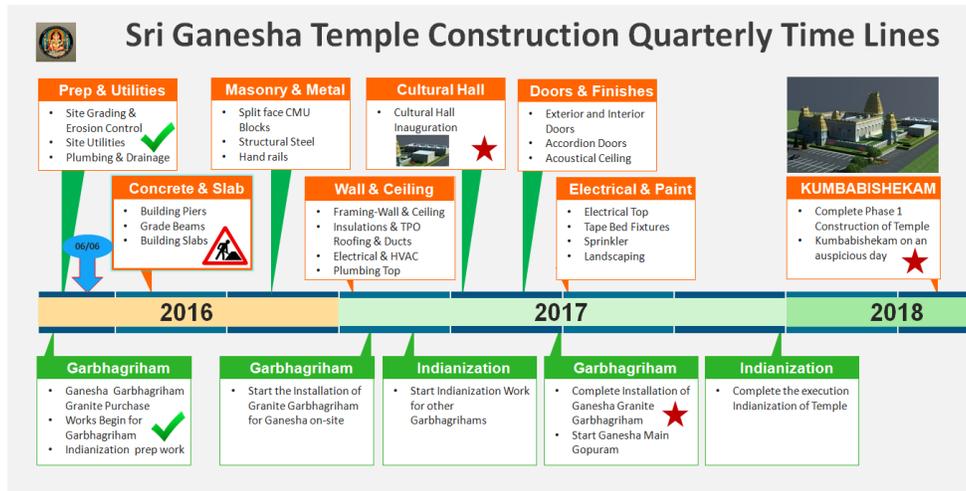

June 6th, 2016

Dear Devotees,

Greetings. With the divine blessings of Lord Ganesha and utmost gratitude, the temple committee takes this opportunity to thank each and every one of you for your generous donations, selfless service, valuable time and above all the intention to serve for a cause that will stand the test of time and serve as a religious monument for our future generations. First and foremost, we thank each one of you for spending your evening with us, at the banquet in March 2016 that helped us to raise \$450,000 (includes both raised and pledged). This was definitely a significant milestone and a symbol of our unified approach to serve and a motivation to progress, the results of which are outlaid below.

As of date, significant site preparation work, underground plumbing for storm drainage has been completed. Since these activities were under-ground works, you may or may not have noticed the progress. From an Indianization perspective, work on Ganesha Granite Garbhagriham work has begun in India.

On June 09th, we will be commencing the concrete work with drilling and installing the building piers for the temple, multi-purpose hall (cultural hall) and the restrooms. We do want to inform you that while we eagerly wait for this to happen, though for the past few weeks, we had to hold off on commencing this activity due to weather conditions to ensure that the soil conditions are completely satisfied and it is safe to proceed. We would greatly appreciate your cooperation, by showing your presence representing strength in numbers on this auspicious day, and invoking the blessings of Lord Sri Ganesha to progress successfully.

We are very pleased to attach the timeline of activities that are to follow and look forward to your continued support.

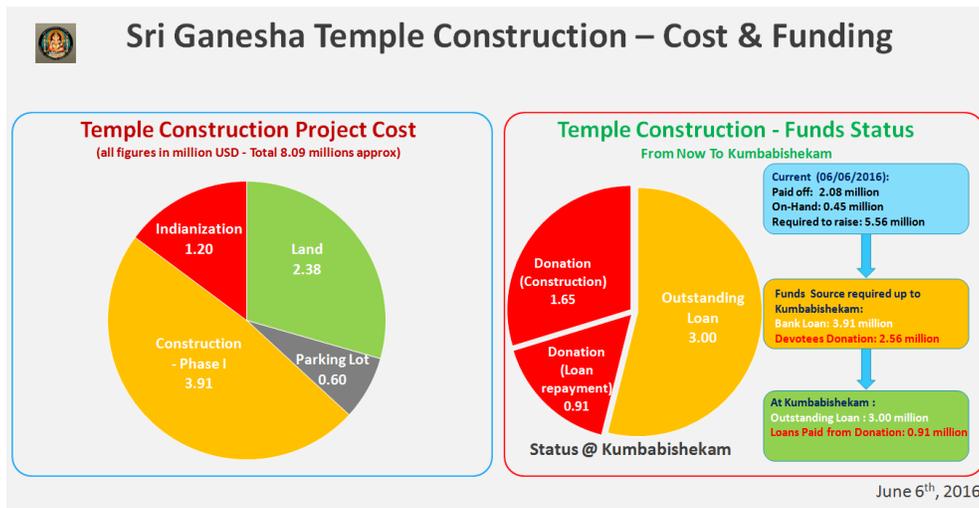

Sri Ganesha Temple (HTNT), Plano, Texas Construction Update (Contd.)

June 6th, 2016

With Sri Lord Ganesha’s blessings, we are hoping to achieve the following milestones;

- 2017 Q2 - Cultural hall inauguration.
- 2017 Q2/Q3 - Ganesha Garbhagriham installation completion
- 2018 Q2 – Ganesha Temple Kumbabishekam. The date is to be finalized yet.

Also, with utmost transparency we would like to share with you details of our project, resources and fund requirements, as well as a graphical representation of our present day standings. Moreover, we have designated a SWOT squad, of highly committed individuals who will function to provide timely and periodic updates of work-in-progress, and also provide us status reports.

As we turn around and take a look at all the leaps and bounds, challenges we have overcome, it only reinforces a sense of ONENESS, dedication, ethics and above all our moral devotion to serve which is the divine calling in each one of us. Abounded by this sense of Oneness, and profound energy to serve we humbly request each of our devotees to help us, help you in the days to come with Lord Ganesha’s Grace, as we progress together.

Feel free to contact any of the temple construction committee for any clarifications or questions.

Sincerely Yours
Temple Construction Communications Team
